WHERE LIFE COMES TOGETHER

Livingston's pathways, green streets, transit routes and access to major thoroughfares promotes connections within the community and the rest of the city.

This is not a legal plan. Dimensions, setback widths, and locations for electrical, telephone and cable television pedestals, street lights, and mailboxes are compiled from available information and are subject to change without notice. For verification of information call 403 231 8900. Metric frontages are actual imperial frontages and rounded down to the nearest foot. This plan is a concept only and may be subject to change without notice. Surface information plan creation date: December 2020
